**Treatment Consent**

I GIVE MY CONSENT FOR EXAMINATION AND TREATMENT.  
The nature of many if not most dermatology and/or cosmetic consultations is that unclothed skin and body examination is indicated. Often another Pure Dermatology staff member may be present. In general, this is for both the patient and provider's protection and to assist in the patient's care. I give my consent for examination with or without another Pure Dermatology staff member present, and treatment including biopsies and excision and injections, as discussed with my provider.

**In Office Use Only:**  
Provider Signature \_\_\_\_\_

Thank you for choosing Pure Dermatology & Cosmetic Center. We are committed to providing excellent skin health care in a patient focused environment. We are contracted with several insurance plans and will directly bill your insurance under these plans.

We understand that billing and payment for health care services can be confusing and complicated. It is important for you to know the information contained in your specific health plan, including any co-payments, deductibles, and other provisions. If you have any questions, we encourage you to call your health plan's member services department. Their number should be listed on the back of your insurance card.

We will submit claims to your insurance company. Because of this, we make a copy of your insurance card at every visit. We also ask that you inform us if your person or insurance information changes. The lack of current information may cause delays in care and make you personally responsible for the cost of the entire visit. If your office visit precedes the effective date of your insurance coverage or is not covered by your insurance, you will be held responsible for all fees incurred as a result of your visit.

### **Co-payments, Deductibles, and Co-Insurance**

Co-payments are due at the time of your office visit. Under the terms of our contract with various insurance plans, we cannot waive any co-payments, deductibles, or co-insurance amounts defined as patient responsibility. If you have any questions regarding your co-payments or deductibles, please call your insurance company. For your convenience, we accept cash, checks, all major credit cards, and Care Credit.

Payment is required for all services at the time they are rendered. If you are in an insurance plan that we participate in, in general, only applicable co-payments and deductibles will be collected at the time of the service and we bill insurance for you as a courtesy. However, we do reserve the right to collect full payment from the patient for any procedures performed. The patient is responsible for any/all charges not paid by any insurance company including third party laboratories or pathologists. I agree to make in full prompt payment to Pure Dermatology when billed for any/all charges not covered. Further, I authorize payment directly to the provider for medical insurance benefits payable to me under the terms of my policy. We do reserve the right to change our financial policy at any time.

### **Assignment of Payment**

I hereby authorize payment directly to Pure Dermatology of any medical or surgical benefits payable to me under the conditions of my policy for services rendered.

### **Outside Services**

To provide the best care possible, Pure Dermatology & Cosmetic Center may send specimens to an outside source for processing. Examples of these services are pathology and laboratory testing. If we send specimens to an outside office, you will receive a separate billing statement from the outside pathologist or laboratory. These charges will be in addition to those services rendered by Pure Dermatology.

### **Financial Policies Continued**

**Cosmetic Procedures**

Elective cosmetic procedures are not covered by insurance companies. You are financially responsible for all charges associated with elective, cosmetic and non-covered procedures. Patients who have a cosmetic consultation will receive credit in the amount of the consult toward their cosmetic procedure.

**Late Charges and Other Fees**

Accounts with balances over 90 days old are subject to late fees

Accounts referred to a collection agency may be subject to a \$50.00 collection fee, attorney fees, and/or the percentage allowed under California state law.

There is a \$25.00 fee for all checks returned for NSF (non-sufficient funds).

**Office Visits/PDT**

If you are unable to keep your general dermatology, follow-up, or cosmetic appointment, we ask that you notify our office by phone at least 24 hours in advance. We often have patients who can be scheduled in your appointment slot if you notify us of the cancellation with sufficient time. If your cancellation is within 24 hours of your appointment, you may be charged a \$100.00 missed appointment/late cancellation fee. If you continue to miss appointments, you may be dismissed from this practice.

**Surgical Procedures**

If you are scheduled for any surgical procedure, please note, we require at least 72 hours notice to either cancel or reschedule your procedure so that we may accommodate another patient in your appointment slot. A notice less than 72 hours will result in a \$250.00 late cancellation fee.

**Cosmetic Procedures**

If you are scheduled for any cosmetic procedure, please note, we require at least 48 hours notice to either cancel or reschedule your procedure so that we may accommodate another patient in your appointment slot. A notice less than 48 hours will result in a \$100.00 late cancellation fee.

**I have read, understand, and agree to the above Financial and Billing Policies. I understand that charges not covered by my insurance company, as well as applicable co-payments and deductibles are my responsibility.**

**I authorize my insurance benefits to be paid directly to Pure Dermatology & Cosmetic Center.**

**I authorize Pure Dermatology to release pertinent medical information to my insurance company when requested or when needed to obtain authorization for a procedure or to facilitate the payment of a claim. I have given complete and accurate information and agree to inform Pure Dermatology of any changes regarding my person billing information or my insurance billing information.**
